Sanket Srivastav

PROFESSIONAL SUMMARY

My biggest strength is being able to quickly and easily learn new Skills, Gifts and Talents. I am eager to use my skills to solve the real world challenges.

Phone: 9565274401 **Email:** **sanketsrivastav389@gmail.com** **Address:** Gorakhpur (UP)

EDUCATION

Bachelor of Technology 2022-2026

LDAH Rajkiya Engineering College Mainpuri affiliated to A.K.T.U Lucknow

- Relevant Coursework: Java, Data Structure, Database Management System, Python Programming
- CGPA: 7.8

Intermediate| 2021

J.P Education Academy Gorakhpur

Percentage: 83.83

High School| 2019

P.D Academy Deoria Uttar Pradesh

Percentage: 82.60

PROJECTS

Hand Gestures Recognition

- Developed a fingerspelling-based hand gesture recognition system that converts sequential hand gestures into complete words to assist communication for deaf and mute individuals.
- ***Project Link:*** ***Sanket-Kayastha/handgesture_sign.***
- Technology Used: Python Programming and their Framework, Random Forest Classifier, NLP

Multimedia Encryption System

- Built a chaos-based multimedia encryption system for images and videos using Logistic Map and XOR diffusion.
- Implemented a Flask web application with Numba acceleration for fast and secure frame-level processing.
- ***Project Link:*** Sanket-Kayastha/Multimedia_Encryption_System

EXPERIENCE

No Experience (Fresher)

Intern| The Spark Foundation |01 Feb 2024 – 01 March 2024

Graduate Rotational Internship Program

Certificate Link: *IMG_20250317_155714.jpg - Google Drive*

Intern| Signal & Telecom Training Center Gorakhpur|23 June 2025-23 July 2025

Certificate Link: training.jpg - Google Drive

TECHNICAL SKILLS

- Python Programming & Frame Works (Tkinter, REST API, Selenium, Flask, Beautiful Soup, NumPy, Pandas, Matplotlib, scikit-learn, Seaborn, Streamlit)
- Artificial Intelligence Frameworks & Tools: Langchain, Groq, LLM
- SQLite Databases
- Java
- Git, GitHub and Version Control
- HTML/CSS, Bootstrap
- Data Structure and Algorithm

CERTIFICATION

NPTEL| Data Structure Using Java

NPTEL Elite – Data Structures & Algorithms using Java (IIT Kharagpur)
12-week course | 68% | Java-based DSA, proctored exam

Certificate Link: Data Structure and Algorithms using Java (1).pdf - Google Drive

UNNATI| Soft Skill Development| Spoken English

Completed a 165-hour UNXT by Unnati soft skills program focusing on communication, employability, and life skills (Infosys Foundation).
