SUMMARY

Detail-oriented Retirement Services professional with 8+ years of experience in 401K and Defined Contribution operations, with strong focus on both plan and participant-level services and beneficiary claims. Skilled in handling complex Money-Out processes including survivor benefits, hardship withdrawals, annuities, RMDs, and child support-related disbursements. Experienced in quality control, client communication, documentation review, and SLA-driven delivery. Recognized for consistently maintaining compliance, mentoring peers, and supporting process improvements in fast-paced environments.

WORK EXPERIENCE

Process Lead – Commercial Lines 09/2025 – Present

ReSourcePro

- Lead end-to-end Commercial Lines insurance operations, ensuring compliance and SLA adherence.
- Manage and mentor a team of 15 associates, driving productivity, quality, and consistent performance
