SUDHARSON VISHWA N

Entry-Level Data Analyst | Business & Operations Analytics

Tirunelveli, Tamil Nadu | +91 87541 42875 | vishwasudharson@gmail.com | LinkedIn: linkedin.com/in/sudharson-vishwa-n-623aa6214

PROFILE SUMMARY

Entry-level data analytics professional with hands-on experience in analyzing operational and ERP data, building analytical models, and developing data-driven applications. Strong foundation in Python, SQL, Excel, and SAP (MM & PP), with academic and project experience in machine learning, reporting, and business analytics. Actively seeking a fresher or junior data analyst role to contribute analytical skills to real-world business problems.

TECHNICAL SKILLS

- Data Analysis: Python, SQL (Basic), Advanced Excel
- Libraries & Analytics: Pandas, NumPy, scikit-learn
- Data Visualization: Power BI (Basic), Excel Charts
- ERP & Business Systems: SAP MM, SAP PP (Certified)
- Web & Analytics Apps: Streamlit, Django (Basic)
- Core Concepts: Data Cleaning, Exploratory Analysis, Regression, Classification

PROJECTS

- **House Price Prediction Web Application (2025)**
  • Performed data preprocessing and exploratory analysis on housing datasets.
  • Built regression models using Python and scikit-learn to predict house prices.
  • Deployed the model using Django to deliver predictions via a web interface.
- **Credit Score Prediction Application (2025)**
  • Developed a Streamlit-based application to predict credit scores with probability insights.
  • Implemented data cleaning, feature selection, and model evaluation techniques.
  • Focused on interpretability and responsible use of predictive analytics.

INDUSTRIAL EXPERIENCE

- **Testing Engineer Trainee – Competition Team Technology** (Oct 2023 – Mar 2025)
  • Supported analysis of inventory, production, and workflow data using ERP systems.
  • Assisted in preparing operational reports to support planning and decision-making.
  • Gained hands-on exposure to real-world business data and cross-functional processes.
- **Design Engineer – Trumark Engineering Industries** (Feb 2022 – Jun 2023)
  • Worked with BOM and production-related data maintained in ERP systems.
  • Coordinated with operations teams to ensure data accuracy and documentation.

EDUCATION

B.E. Mechatronics Engineering – K.S. Rangasamy College of Technology (2021)
CGPA: 8.81 / 10

CERTIFICATIONS

- SAP MM & SAP PP – Global Certification
- Artificial Intelligence & Machine Learning (Ongoing)
- MySQL (Basic) – HackerRank (2025)
