AKHIL B S

akhilbs2003@gmail.com 9947240991 Thiruvananthapuram

OBJECTIVE

Highly motivated Full Stack Developer fresher with a strong foundation in the Python-Django stack and frontend technologies like Bootstrap 5 and JavaScript. Proven ability to build end-to-end web applications, including secure Razorpay payment integrations and REST APIs. Seeking to leverage my internship experience and passion for clean code to develop scalable web solutions.

TECHNICAL SKILLS

CSS 3, HTML5, Bootstrap 5, JavaScript, Python, Django, MVT, DTL, ORM, SQLite 3, MySQL, REST API, Dialogflow, Razorpay, Git

SOFT SKILLS

Leadership and Mentorship, Problem-Solving, Creativity and Innovation, Adaptability, Critical Thinking, Time Management, Teamwork, Communication, Active Listening, Verbal Communication, Conflict Resolution

SOFTWARE DEVELOPMENT EXPERIENCE

Python Django Full Stack Development (Intern) | Zoople

- Participated in the end-to-end development life cycle of web applications using the Python Django framework.
- Designed and contributed to backend logic and relational database design (ORM) to meet specific application performance expectations.
- Successfully integrated REST APIs, ensuring seamless data exchange and application functionality, and demonstrating an ability to work with external systems.
- Collaborated effectively with the technical team to ensure code standards were maintained and modules were delivered on time.

Relevant Technical Experience | Aabasoft

Technical Support Executive

- Applied strong analytical and problem-solving skills to troubleshoot complex software and hardware issues efficiently, ensuring a high rate of successful resolution.
- Managed issue tracking and documentation, providing a practical understanding of system maintenance and implementation feedback loops.
- Demonstrated professionalism, accountability, and strong verbal/written communication while providing technical support to users.

KEY ACADEMIC PROJECTS

E-Commerce Website (Major Project)

- Designed, built, and tested a complete e-commerce platform using Python Django, HTML, CSS, JavaScript, and Bootstrap.
- Successfully integrated the Razorpay Payment Gateway to handle secure and real-time transaction processing, demonstrating expertise in third-party API integration and security protocols.
- Managed a complex data model to handle product inventory, user accounts, order tracking, and sales history.

Online Bus Ticket Reservation System (Major Project)

- Developed and configured a web application using Python/Django, requiring complex logic for searching, inventory management (seat availability), and user authentication.
- Designed a robust Admin Panel to manage system configurations (routes, schedules), showing a focus on operational data management.

Movie Info Web App (Minor Project)

- Integrated external real-time data access via APIs, requiring the adoption of new data handling techniques and troubleshooting for data synchronization.

EDUCATION

COMPUTER HARDWARE ENGINEERING Government Polytechnic College Attingal | (2021-2024)

ADDITIONAL INFORMATION

- Languages: English, Malayalam
- Certifications: Cyber Security , BSNL(3 weaks internship)
- Awards/Activities: Star of the Month (FEB 2025-Aabasoft) , Rajya Puraskar (Bharat Scouts & Guides)
- Willingness: Open to relocation and working in dynamic environments.
