AKHIL GUNTHOJU

QA Engineer

Hyderabad Telangana | +91-8179760155 | akhilgunthoju203@gmail.com

PROFESSIONAL SUMMARY

I'm a QA Engineer with around 2 years of hands-on experience testing web and mobile (Android/iOS) applications. I enjoy building and running both manual and automated tests using tools like Selenium, Appium, and TestNG. I'm comfortable working in Agile teams and take pride in delivering reliable, high-quality software through thoughtful testing and continuous improvement.

TECHNICAL SKILLS

- **Manual Testing:** Functional, Regression, UI/UX, Smoke, Compatibility, Installation
- **Automation Tools:** Selenium WebDriver, Appium
- **Frameworks:** TestNG, Maven, Page Object Model (POM)
- **Programming:** Java (Core), Basic Python & JavaScript
- **API Testing:** REST Assured, Postman
- **CI/CD & Tools:** Jenkins, Git, Zephyr Scale, Jira
- **Methodologies:** Agile Scrum
- **AI Tools:** ChatGPT, Microsoft Copilot

EXPERIENCE

QA Engineer (Manual + Automation) 07/2023 to 07/2025

Antnele Technologies – Hyderabad

- Collaborated with developers and product teams to test Android, iOS, and web applications for an education platform, ensuring each release met quality and performance standards.
- Designed and executed detailed manual test cases covering functional, UI, regression, and integration testing.
- Built and maintained **automated test scripts** in Selenium and Appium using Java and TestNG, applying the **Page Object Model (POM)** framework for cleaner, reusable code.
- Managed test planning and tracking through **Jira** and **Zephyr Scale**, and integrated automation runs into **Jenkins** for continuous testing.
- Validated API endpoints using **Postman** and **REST Assured**, improving API coverage and early defect detection.
- Actively participated in **daily standups, sprint planning, and retrospectives**, contributing to better sprint quality and faster delivery.
- Identified and documented critical defects with clear reproduction steps and collaborated with developers to ensure quick resolution.
- Streamlined regression testing by automating repetitive test cases — reducing manual testing effort by nearly **40%**.
- Supported the QA process improvement by introducing reusable test case templates and promoting automation-first approaches.

QA Intern (Manual Testing) 05/2023 to 06/2023

PHN Technologies – Hyderabad

- Assisted the QA team in testing live mobile and web applications to understand the real-world software testing cycle.
- Created and executed manual test cases based on user requirements and business logic.
- Logged, tracked, and re-tested bugs using **Excel** and **Jira**, ensuring issues were clearly reported and verified after fixes.
- Learned and applied key QA principles such as **SDLC, STLC, and defect life cycle** under mentorship.
- Contributed to test documentation and shared feedback to improve app usability and overall user experience.

PROJECTS

Antnele Education App – Mobile & Web QA

- Performed **end-to-end testing** across key modules like Login, Chat, Event Creation, and Push Notifications for Android, iOS, and web platforms.
- Worked closely with **developers and product teams** to identify and fix UI and functionality issues early in the release cycle.
- **Automated high-use test cases** with Selenium and Appium, cutting down repetitive manual work and improving test efficiency.
- Created and maintained **clear test documentation**, ensuring test coverage and traceability throughout each sprint.
- Conducted **thorough regression testing** before every release to maintain app stability and a smooth user experience.
- Contributed to the team's QA process by suggesting improvements that enhanced **testing speed and collaboration**.

CERTIFICATIONS AND TRAINING

QEdge Technologies: Completed professional training in Manual and Automation Testing, gaining hands-on experience with Java, Selenium, Appium, and TestNG.

PHN Technologies: Completed a Manual Testing internship, where I applied testing concepts in real-time projects and learned practical QA processes.

EDUCATION

B.Sc.: MSCS 01/2021

Vivekavardhani Degree College - Kothagudem
