PROFESSIONAL SUMMARY

Web Developer and Data Enthusiast with experience in building responsive web applications, integrating APIs, and creating visually engaging interfaces. Interested in combining frontend development and data insights to deliver user-centric digital solutions. Eager to learn and contribute to real-world, user-focused digital products.

TECHNICAL SKILLS

- **Languages :** Python, JavaScript, C, C++
- **Frontend :** React.js, HTML, CSS, Tailwind CSS
- **Backend & Cloud Technologies :** Django, Firebase
- **Database Management :** MySQL
- **Data Science &Visualization:** NumPy, Pandas, Matplotlib
- **Development & Testing Tools :** Git, Github, Jupyter Notebook, Postman
- **Design & Multimedia Tools :** Adobe Photoshop, Canva

PROJECTS

- **Emotion Based Music Recommendation System**
  https://github.com/dpace121/emotion_music
  - Developed an emotion detection system using the FER2013 dataset and deep learning techniques.
  - Built a Django backend to process emotion predictions and manage application logic.
  - Integrated YouTube API to dynamically recommend music based on detected user emotions.
  - Implemented real-time emotion detection using a webcam.
- **News Viewer Web Application**
  https://github.com/dpace121/News_Viewer_Web_App
  - Built a responsive React application integrating the Spaceflight News API for real-time content.
  - Implemented Firebase Authentication and Firestore for secure user login and data management.
  - Focused on clean UI design and smooth user experience across devices.

EXPERIENCE

React Developer Intern | IT Hive Solutions (Remote) **(Mar 2025 - May 2025)**

- Built and optimized responsive interfaces with React.js, CSS and HTML.
- Integrated RESTful APIs with Axios, improving data handling efficiency.
- Managed state using React Hooks, reducing component complexity.

EDUCATION

Bachelor of Science in Computer Science and Information Technology (B.Sc. CSIT) **(Apr 2020 - Aug 2025)**

Patan Multiple Campus, Lalitpur

Intermediate(+2) **(Jul 2016 - Aug 2018)**

V.S Niketan Higher Secondary School, Kathmandu
