PROFESSIONAL SUMMARY

Software Developer skilled in full-stack development using React, Next.js, and Python (FastAPI). Experienced in building scalable web and mobile applications with REST APIs and Firebase. Strong foundation in Data Structures, Algorithms, and problem solving (100+ LeetCode problems).

SKILLS

Languages:
Python, C , Java, JavaScript, SQL

Frontend:
React, Next.js, HTML, CSS

Backend:
FastAPI, REST APIs, Firebase

Tools & Platforms:
Git, GitHub, Postman, Figma, Canva, Photoshop

Other:
Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks, Agile Basics, Problem Solving (100+ LeetCode)

EDUCATION

Btech in Information Technology
Viswajyothi College of Engineering, Vazhakulam
2026

Class 12
Bright Public School, Valakom
2022

Class 10
Indian School Darsait, Muscat
2020 | Oman

ACHIEVEMENTS & AWARDS

Official Magazine Editor of the College:
- Elected as the Official Magazine Editor of the College

Corizo Edutech:
- Completed Web Development Course

NSS:
- Elected as Natural Resource Protection Force (NRPF) Coordinator in NSS.

PROJECTS

KTU HUB Website | HTML, CSS, JavaScript, React
- Built a responsive website for KTU students to access notes and academic tools
- Designed clean navigation and deployed using GitHub Pages

ROUTE MATE App | React Native, Node.js, Firebase (Firestore), REST API
- Developed a ride-sharing prototype to match drivers and passengers based on routes
- Implemented ride requests + user flow using Firebase and REST APIs

Expense Tracker App | React, JavaScript
- Built an expense tracker with CRUD operations and category-wise spending tracking
- Added analytics dashboard with exportable monthly reports

Web Scraper for Trending News | Python, BeautifulSoup
- Created a scraper to collect trending news headlines from multiple sources
- Processed and stored data in structured format (JSON/CSV)

Bodhi(techfest) | React, FastAPI
- Built a fest registration website with backend for storing and retrieving participants
- Created admin-friendly workflow for managing event entries

EXPERIENCE & INTERNSHIPS

Freelance Web Designer & Developer
2023 – Present
- Built responsive websites using React and modern UI practices
- Worked with clients for UI design, development, and deployment

Student Intern
Corizo Edutech
05/02/2025 – 05/03/2025

Student Intern
TechMaghi
26/02/2025 – 02/03/2025

College Magazine Editor
Viswajyothi College of Engineering
- Led the editorial team in collecting data from students and designed the magazine pages and cover.

Design Coordinator
Bodhi and Drishya
12/02/2025 – 15/02/2025

Volunteer
NSS
2023 – 2024

LANGUAGES

English (Fluent), **Hindi** (Conversational), **Malayalam** (Native)
