SUMMARY

Computer Science postgraduate with hands-on experience in Python programming, Web Development, Artificial Intelligence/Machine Learning fundamentals, and AWS Cloud services. Skilled in application monitoring, troubleshooting, incident management, and system support. Completed a technical internship working on real-time projects involving AI, ML, and cloud fundamentals. Strong problem-solving ability with a focus on maintaining reliable application performance and supporting technical operations.

INTERNSHIP & WORKSHOP

Web Developement and Python Intern, (codebind Technologies) **Mar 2025 - Apr 2025**

- Completed hands-on training in Python programming and web development.
- Worked on projects involving Artificial Intelligence and Machine Learning fundamentals.
- Gained practical exposure to AWS cloud concepts and services.
- Developed Python-based solutions to strengthen programming and problem-solving skills.
- Collaborated with team members to understand development workflows and troubleshooting processes.

EDUCATION

M.Sc. Computer Science **Aug 2023 - June 2025**
CMS COLLEGE OF SCIENCE AND COMMERCE

B.Sc Computer Science **Aug 2020 - June 2023**
CMS COLLEGE OF SCIENCE AND COMMERCE

SKILLS

- **Programming**: Python (Django)
- **Web Technologies**: HTML, CSS
- **Database**: MySQL
- **Cloud Platform:** AWS (Amazon Web Services)
- **AI / Machine Learning**: TensorFlow (Basic), PyTorch (Basic), Pandas, NumPy, Matplotlib, OpenCV
- **Technical Skills**: Application Monitoring, Troubleshooting, Incident Handling, System Support

CERTIFICATIONS

- AWS Certified Cloud Practitioner
- Infosys BPM Skill Development Program
- Introduction to Generative AI – Google Learning Path
- Certification in Python, AI and Machine Learning

ACHIEVEMENTS / PROJECTS

License Plate Detection System

- Developed a vehicle license plate detection system using Python, OpenCV, and OCR.
- Processed and analyzed 100+ vehicle images for detection and recognition.
- Improved detection accuracy by 20% through image preprocessing techniques.
