EDUCATION

B.Tech in Computer Science & Engineering

Galgotias University, Greater Noida

August 2020 – 2024 CGPA – 8.4/10

Saint John's School (Class XII ISC)

Jaunpur, Uttar Pradesh

July 2019 Percentage - 70.8%

Saint John's School (Class X ICSE)

Jaunpur, Uttar Pradesh

July 2017 Percentage - 75.1%

PROJECTS

Custom Object Detection – Computer Vision

Feb 2025

- This custom **YOLO v8 model** detects **headphone, caps, and glasses** With high accuracy. It's optimized for real-time object detection, providing quick and precise results, converted to **Tflite file** for application integration.
- **Python, YOLOv8, Tflite, Ultralytics.**

Published (IEEE) research paper on Credit Card Default Prediction – Data Science

June 2024

Addressed **multicollinearity** using **PCA** and **class imbalance handling** techniques, and performed a comparative analysis of **SVC and Logistic Regression** to predict **customer default risk for the next month**.

Company Market Cap Prediction – Data Science

Sept 2023

- Using ML Algorithms such as **MLP Regressor, Linear Regression,** Lasso, Ridge**,** Decision Tree Regressor, Random Forest Regressor, **Gradient Boosting Regressor**, and Preprocessing library like **Standard Scaler** to **Predict Companies Market Cap.**

Sales Insights —Data Analytics

July 2023

- Analyzing the sales revenues of the company by **Products, Region, Year, etc.** using MySQL database server in Power BI

EXPERIENCE

Data scientist Mentor at UpGrad (March 2025- Current)

- As a Data scientist Mentor at **upGrad**, I mentored **300+ students** through classroom sessions and also worked on Industry level projects in **computer vision** with UpGrad.

Artificial intelligence and machine learning Engineer at Netzwala Services (Jan 2024- March 2025)

- I work on **Object detection** models like **Yolov8,** utilizing **AWS services** for deployment, and data management.

SKILLS

Familiar with **Python**, **SQL,** OOPs Sk-Learn, MySQL, **DBMS,** CSS, Data analysis, GenAI, AWS, NLP, Data Structure and Algorithms, MS Excel, YOLO, Pandas, Numpy, Computer Vision, **ML Algorithms.**

ACHIEVEMENTS

- Student Placement Coordinator, facilitating over 700+ students on campus placement.
- **Published a Research Paper in ML.**
- Secured 1st Rank twice in Inter-school Chess Tournament.
- RPA certification by UI Path.

CERTIFICATION

- **Google Data Analytics**
- Database Programming with **SQL**
- AWS Academy **Data Analysis**
- Programming **Essentials** in **Python**
