Work Experience

Data Engineer / Python Developer

Blue Consulting Pvt. Ltd. | 09/2025 - 10/2025 | New Delhi

Key Contributions:

- Built Django-based **Agreement Verification App** automating invoice validation.
- Applied **NLP & Fuzzy Matching** to match invoice descriptions with contract terms.
- Designed a flexible **input-file engine** supporting formulas, dynamic headers & ERP imports.
- Implemented rules for **range-based pricing**, **minimum guarantee**, and **additional charges**.
- Automated comparison of agreement vs invoice using Python, Pandas & fuzzy logic.

Data Engineer / Python Developer

Secrigin Technologies Pvt. Ltd. | **07/2024 - 08/2025** | New Delhi

Key Contributions:

- Extracted data using python scripts using modules selenium, beautiful soup, requests, etc.
- Implemented **ETL processes** integrating data from APIs, flat files, and relational databases into **SQL Server**.
- Optimized SQL queries and Spark jobs, reducing ETL processing time by **30%**.
- Built **data validation scripts** using Python and Pandas to ensure accuracy and consistency.
- Automated end-to-end workflows via **python scripts**, improving pipeline reliability.

UI/UX Designer

***Homaid* | 01/2024 - 06/2024 | Hyderabad**

Key Contributions:

- Designed wireframes and high-fidelity prototypes for the company's flagship application.
- Collaborated with developers to integrate user feedback and enhance user experience.

Education

Master of Computer Applications (MCA)

National Institute of Technology, Jamshedpur
07/2021 - 05/2024 | **CGPA: 8**

Projects

GoodLuck Bakery - Full Stack Application

06/2023 - 08/2023

- Developed an e-commerce platform using **React.js**, **Node.js**, and **MongoDB**.
- Integrated **REST APIs** for order management and inventory tracking.
- Implemented authentication, cart management, and secure payment gateway integration

---

Certifications

- **Full Stack Web Development Workshop** – NIT Jamshedpur *(08/2021)*
- **Hackathon Winner** – Shooting Star Foundation *(06/2023)*

Languages

- **English:** Full Professional Proficiency
- **Hindi:** Native Proficiency
