PREETI SINGH

preetisingh2024@gmail.com — LinkedIn — GitHub — +91-8081277167

Professional Summary

Detail-oriented **Python Developer** with almost **2 years of hands-on experience** in designing, developing, and deploying **scalable applications**. Skilled in **Python, Django REST Framework, SQL, and React**, with a strong foundation in **REST API development, database management**, and **automation scripting**. Adept at collaborating in **Agile environments** and delivering **clean, maintainable code** aligned with **business requirements**.

Technical Skills

Languages: Python, JavaScript, SQL, HTML, CSS
Frameworks & Libraries: Django, Django REST Framework (DRF), Flask, React.js, Bootstrap
Databases: MySQL, PostgreSQL, SQLite
Tools & Platforms: Git, GitHub, Docker, Postman, VS Code, ServiceNow

Professional Experience

Software Associate
Capgemini — Noida, India — Aug 2024 – Present

- Developed and maintained **REST APIs** using **Django REST Framework** for **web and mobile applications**.
- Designed and optimized **PostgreSQL database models**, ensuring **efficient queries and indexing**.
- Integrated **third-party APIs** and implemented authentication using **JWT** and **OAuth2**.
- Automated **repetitive reporting tasks** using **Python scripts**, reducing manual effort by **40%**.
- Worked in a **Agile/Scrum environment**, participating in **sprint planning, code reviews**, and **daily stand-ups**.
- Deployed applications on **AWS EC2** and managed **static/media files** using **Amazon S3**.
- Collaborated with **frontend developers** to integrate **APIs** with **React.js** UI.

Academic Projects

CareCompass – Healthcare Recommendation System

- Built a **Flask-based web application** for symptom analysis and health recommendations.
- Implemented **basic ML models** for risk scoring and decision support.

Risk Analytics & Anomaly Detection (Mini Project)

- Built **Python-based rule and ML anomaly detection** using **Scikit-learn**.
- Performed **data validation, risk flagging**, and generated **audit-ready reports** in **Python & Excel**.

Education

Master of Computer Application (MCA) — 2025 – 2027
Dr. A.P.J. Abdul Kalam Technical University

Bachelor of Computer Application (BCA) — 2021 – 2024
United Institute of Management, Prayagraj

Achievements & Certifications

- **Gold Medalist – BCA (University Topper)**
- Python Training & SQL – Coursera, Udemy & Infosys
- Continuous Integration & Continuous Delivery – Udemy
- ICAgile Agile Fundamentals Certification – Udemy
