KARTIKRAJ NALAGE

Backend Developer (Python, Django, DRF) | API Design • Auth Systems • Scalable Backends

+91 9766603733 kartikraj9010@gmail.com Pune, Kharadi

ABOUT ME

Backend-focused Computer Engineering student specializing in Python, Django, and Django REST Framework, with experience building production-grade REST APIs, authentication systems, and database-driven platforms used in real workflows such as document printing and digital content commerce.

EDUCATION

B.Tech - Computer Engineering 2022 – 2026

Savitribai Phule Pune University

INTERNSHIP EXPERIENCE

Django Fullstack Developer – Intern May 2025 - Oct 2025

- Developed and maintained backend systems using Django and Django REST Framework
- Built REST APIs for an educational e-commerce platform **(Studypedia)**
- Designed database schemas and optimized backend logic(**Zerox Network**)
- Implemented authentication, role-based access, and admin dashboards
- Collaborated with team members on real-time features and deployments
- Integrated Python utilities and basic ML components when required.

Studypedia (Academic E-commerce Platform)

Tech: Django, DRF, MySQL, JavaScript

https://github.com/Nanu9010/studypedia

- Built a full-stack platform allowing users to browse and purchase academic notes
- Designed REST APIs, database models, and admin panels
- Implemented user authentication and secure data handling.

Zerox Network - Zerox printing Platform

Tech: Django, DRF, MySQL, JavaScript

https://github.com/Nanu9010/Zerox_Network

- Architected backend for a document upload → print request → fulfillment pipeline
- Developed APIs for file handling, order processing, and admin-side print queue management
- Implemented user authentication, permissions, and order status tracking

CERTIFICATIONS

- Django Fullstack Internship – Pisyst India Pvt. Ltd.
- Startup Pitch Participation – Centre for Innovation, Incubation & Enterprise (SPPU)
- Open to travel while maintaining work commitments
- Interests: Short film direction, cinematic videography, basic video editing (Strong communication skills and creative storytelling)
