2021-2025 BE in *Electrical & Electronics Engineering* from karpagam institute of technology, Coimbatore with 7.48 CGPA. 2021 12th from Kurinchi Matric Hr Sec School, Chinnakuppam with 82%marks.
2019 10th from Kurinchi Matric Hr Sec School, Chinnakuppam, with 74.5%marks.

TRAININGS & CERTIFICATIONS

- Certified in Full Stack Python Provided by Besant Technologies.
- Certified in SQL from Hackerrank.
- Certified in intenship Certificate Unique Measurements Service (chennai).
- AWS DEVOPS:Continous Deployment to AWS Fargate from GITlab

PROJECTS

Modern To-Do App (HTML, CSS, JavaScript, Local Storage)
Developed a responsive to-do list application enabling users to add, edit, and remove tasks in real-time. Utilized browser local storage for persistent task management, ensuring all user data remains available across sessions. Combined clean UI design and efficient JavaScript logic to deliver a seamless and reliable personal productivity tool.

Quiz App (HTML, CSS, JavaScript)
Built an interactive quiz web application featuring multiple-choice questions and a dynamic scoring system. Implemented instant feedback, a reset feature, and visually engaging layouts to enhance user experience. Managed all quiz logic through modular JavaScript, allowing easy updates and customization of questions and results.

Personal Website Page (HTML, CSS)
Created a personal website using semantic HTML and modern CSS, focusing on responsive layout and clear navigation. Delivered a professional web presence highlighting personal projects, skills, and contact information. Emphasized accessibility and user-friendly design principles for optimal browsing across devices.

INTERESTS & HOBBIES

- Video editing
- Learning Time-management skills
- productivity activities Learning new technologies
