JEEVA N

Python Developer

jeevan03956@gmail.com | +91 9381679225 | LinkedIn: Jeeva N

Objective

Aspiring software developer with a strong foundation in computer science and hands-on experience in web development, programming. Seeking to leverage my skills in Python, HTML, CSS, MySQL, and JavaScript to contribute to dynamic projects and drive innovation in a forward-thinking organization.

Education

- **Bachelor of Science in Information Technology & Management**
  Arul Anandar Arts and Science College, Madurai
  -CGPA : 7.0 **2022 – 2025**

- **Intermediate in MPC**
  Saint Francis Junior College, Visakhapatnam, Andhra Pradesh
  Percentage:64 **2020 – 2022**

Skills & Abilities

- Programming Languages: Python
- Database Management: SQL
- Web Development: HTML, CSS, JavaScript
- Tools: Windows, Visual Studio Code
- Soft Skills: Time Management, Problem-Solving, Communication

Projects

Demand-Based Vegetable Supply Management System

- Developed a backend-driven web application using Python and Django to align farmer vegetable supply with market demand.
- Designed Django models with ForeignKey relationships and implemented CRUD operations.
- Built role-based authentication for Farmers and Admins using Django sessions.
- Implemented filtering, aggregation, and real-time supply–demand status using Django ORM.
- Integrated MySQL database for persistent data management.

TRANS CARGO – Online Transport & Cargo Service

- Developed a web-based cargo transport platform using HTML, CSS, JavaScript, and SQL.
- Designed responsive user interfaces for vehicle listing, dealer registration, and cargo booking.
- Implemented dealer and customer modules to manage transport requests efficiently.
- Enabled dealers to post vehicle details such as vehicle type, capacity, and availability.

- Built customer booking functionality for requesting cargo transport services online.
- Used SQL database to store and manage users, vehicle details, and booking records.
- Implemented admin supervision features to monitor dealers, customers, and booking requests.

Certifications

- Python Full Stack (SLA Institute)
- Office Application Suite

Languages

- Tamil (Native)
- English (Fluent)
- Telugu (Fluent)
- Hindi (Intermediate)
