SUMMARY

Frontend Developer with hands-on experience building **production-ready React applications** and responsive UIs. Delivered **live client websites**, reusable components, and API-integrated interfaces using **React, JavaScript, HTML, CSS, and Tailwind.** Strong at converting UI designs into clean, scalable code.

TECHNICAL SKILLS

- **Frontend**: React.js, JavaScript (ES6), HTML5, CSS3, Tailwind CSS, Bootstrap, jQuery
- **State & APIs**: REST API Integration, Component Architecture, Cross-browser compatibility
- **Tools**: Git, GitHub, Postman, Figma (Basics)

PROFESSIONAL EXPERIENCE

Front-End Developer – ZyppyIT.com **(Aug 2025 – Present \ Remote)**

- Developed and maintained **15+ production-ready responsive pages** using **React.js and Tailwind CSS** for real client projects
- Improved component reusability, reducing repeated code by **~30%**
- Delivered UI changes based on direct client feedback and timelines
- Collaborated with senior developers to build scalable layouts and maintain clean architecture

Web Development Intern – Technohacks Edutech **(May 2025 – June 2025\ Remote)**

- Built responsive UI components using **HTML, CSS, and JavaScript** across multiple screen sizes
- Developed interactive frontend features to enhance user experience and usability
- Collaborated with developers to implement and test frontend features for live projects

PROJECTS

Tiger Chicken & Ribs — Client Website (ZyppyIT)

- Developed UI sections, menus, and responsive pages, implemented smooth navigation and dynamic layouts that strengthened brand presentation.

Newcastle Griddle — Client Website (ZyppyIT) (Visit)

- Built and deployed a fully responsive restaurant website with reusable React components, **mobile-first layouts**, and optimized UI performance. Delivered as a live client project.

Healthcare Dashboard – React UI

- Designed a clean, component-based admin dashboard with modular folder structure and responsive layouts.

PixelBloom – HD Image Search App (React + API) (Visit)

- Integrated **Pixabay API** to fetch HD images; enabled users to view **50 results per search** with optimized rendering.

EDUCATION

B.E – Electronics and Communication Engineering
Francis Xavier Engineering College, Tirunelveli, Tamil Nadu, India
CGPA: 8.9 / 10 (2024)

ADDITIONAL INFORMATION

- **Certification:** Web Development Internship Certificate – Technohacks Edutech (**June 2025**).
  JavaScript Mastery From Basics to Advanced 2025 (**July 2025**)
- **Interests:** UI design, creative problem-solving
