AZATH N

Electronics and Communication Engineer

Motivated Electronics and Communication Engineering student seeking opportunities to apply technical knowledge and continuously develop skills through real-world projects.

Coimbatore, India | 9344365062 | azathazath1234@gmail.com

SKILLS

C | Python | Eagle | KiCad

WORK EXPERIENCE

Embedded Systems Intern — **Jan 2024 - Jan 2024**
Vijay Technocraft — Coimbatore

- Gained hands-on experience in basic electronics and circuit design.

EDUCATION

Bachelor of Engineering - Electronics and Communication Engineering, CGPA: 7.0 — **Jan 2026**
Dr. N.G.P Institute of Technology

HSC, Percentage: 85.5 — **Jan 2022**
Sree Vetri Vikas Matric Hr Sec School

SSLC, Percentage: 75 — **Jan 2020**
Sree Vetri Vikas Matric Hr Sec School

PROJECTS

Low-Cost Image Enhancement for License Plate Recognition — **Jan 2025 - Jan 2025**

- Designed an image processing system using CNN techniques to enhance and recognize vehicle license plates.

Home Automation System using IoT — **Jan 2024 - Jan 2024**

- Developed an ESP32-based smart home system enabling remote appliance control via mobile app and web interface.

Line Follower Robot — **Jan 2023 - Jan 2023**

- Built an autonomous robot using IR sensors and microcontrollers to follow a predefined path, demonstrating embedded systems and sensor integration.

COURSES & INDUSTRIAL EXPOSURE

Simulink Onramp – MATLAB — **Jan 2024 - Jan 2024**

NPTEL: Social Innovation in Industry 4.0 (Elite) — **Jan 2024 - Jan 2024**

Industrial Visit – MAG Industry (Textile Automation)

AWARDS, ACHIEVEMENTS & ACTIVITIES

Participant - Smart Hackathon — **Jan 2022 - Jan 2024**

Taekwondo District Level Championship – Runner — **Jan 2016 - Jan 2016**

Toastmasters Achievers Gavel Club Member

Class Representative and College Football Team Member
