TANNU KUMARI

New Delhi

+91-9643145955 kumaritannu2903@gmail.com LinkedIn

Profile

Motivated Artificial Intelligence and Data Science undergraduate with hands-on experience in data analysis, machine learning, and web-based applications. Strong foundation in Python, SQL, and NLP, with a passion for building practical, data-driven solutions and continuously learning emerging technologies.

Technical Skills

Languages: Python, SQL, JavaScript, HTML, CSS
Web Technologies: React.js, Node.js, Flask, Git, GitHub
Databases: MySQL, MongoDB
Tools: Jupyter Notebook, VS Code, Google Colab, Odoo

Experience

Nada Consult Pvt Ltd (Intern) **Jan 2025 – Jun 2025**
Data Analyst *Delhi*

- Performed data cleaning, preprocessing, and transformation using Excel, Python (Pandas, NumPy), and SQL.
- Worked on Odoo customization to support analytics workflows and data automation.
- Collaborated with IT consulting teams on dashboards, reporting, and analytical tools.

Projects

Infant Behavior Analysis System OpenCV — TensorFlow — MediaPipe — Librosa

- Developed a multimodal AI system to analyze infant emotions and posture using real-time audio-visual data.
- Implemented facial expression recognition, pose estimation, and audio feature extraction.
- Achieved 76% accuracy by combining Librosa features with deep learning models.

AI-Powered Resume Analyzer & Job Matching System Python — NLP — spaCy — NLTK — scikit-learn

- Built an NLP-based resume screening system to extract skills, experience, and education.
- Implemented job–resume matching using TF-IDF and cosine similarity.
- Generated structured candidate summaries to improve recruiter efficiency.

Personal Finance Tracker Application Python — Pandas — SQL — Data visualization

- Developed a personal finance tracking system to monitor income, expenses, savings, and monthly spending patterns.
- Implemented data storage and querying using SQL, with Python-based data processing and analysis.
- Created visual insights to categorize expenses, identify overspending trends, and support better financial decision-making.

Education

University School of Automation and Robotics **2022 – 2025**
B.Tech in Artificial Intelligence and Data Science *Delhi*
Pusa Institute of Technology **2019 – 2022**
Diploma in Civil Engineering *Delhi*

Extracurricular

- Volunteer at Anugoonj 2024 (IPU Annual Cultural Festival) – event coordination and crowd management.
- Active NSS Member (2022 – 2025).
