Amburose A

Aspiring AI Engineer | amburosebe@gmail.com | +91 9894659577 | Chennai, India

OBJECTIVE

Aspiring AI/ML Engineer and Data Scientist with strong foundations in Python, Machine Learning, and data analysis, seeking a fresher role to build real-world, data-driven solutions.

SKILLS

- **Programming**: Python, Unix Shell Scripting, SQL, PL/SQL
- **Machine Learning**: Supervised & Unsupervised Learning, Model Evaluation
- **Libraries**: NumPy, Pandas, Matplotlib, Scikit-learn
- **Data Handling**: Data Cleaning, Data Analysis, Feature Engineering
- **Tools**: Power BI, Unix/Linux, Excel, Word, PowerPoint, PyCharm
- **Soft Skills**: English Communication, Typing 40+ WPM, Adaptability, Problem-solving

EDUCATION

SSLC – St. Joseph's Higher Secondary School, Trichy – 620009 | 95% | 2015 – 2016

HSC – St. Joseph's College Higher Secondary School, Trichy – 620002 | 92% | 2017 – 2018

B.E – CIPET, Chennai – 600032 | CGPA: 7.8/10 | 2018 – 2022

CERTIFICATIONS / TRAININGS / INTERNSHIPS

- Production Support Certification at Uniq Technologies (Linux and SQL)
- Python Programming Online Certification
- Microsoft Excel Online Certification
- Workshop on Industry 4.0 (AI, AR/VR) at Ramco Institute of Technology, Rajapalayam
- Industrial Training at Ashok Leyland

PROJECTS

- Password Strength Checker using Python
- Student Performance Analysis and Prediction using AI
- Email Spam Detection using Machine Learning
- Predicting House Prices with Machine Learning

INTERESTS

- Applying Machine Learning concepts and Data Analysis using Python
- Understanding data patterns and insights from real-world datasets
- Practicing coding to strengthen logical thinking
