PROFESSIONAL SUMMARY

MCA graduate with strong expertise in Python programming for backend and data-driven application development, along with high proficiency in SQL for database design, querying, and data management. Possess a solid understanding of problem-solving, logic building, and efficient coding practices, supported by a strong academic foundation. Motivated professional eager to apply technical skills to build reliable, real-world software solutions.

TECHNICAL COMPETENCY

- **Programming Language (Python):**
  - Strong knowledge of Python for developing efficient, readable, and scalable programs.
  - Experienced in working with loops, functions, file handling, and exception handling.
  - Familiar with using Oops for data processing and backend logic development.
- **Database (MySQL):**
  - Proficient in SQL queries to create, retrieve, update, and delete data from relational databases.
  - Experienced in database design, table creation, primary keys, and normalization concepts.
  - Skilled in using joins, subqueries, aggregate and indexing for optimized query performance.
- **API (FastAPI):**
  - Experienced in building high-performance RESTful APIs using FastAPI with Python.
  - Skilled in API design, request/response validation using Pydantic, and dependency injection.
  - Hands-on experience integrating FastAPI with MySQL and implementing CRUD operations.

PROJECTS

- **Expense monitoring Database Application**
  Built a Python-based GUI application using Tkinter integrated with MySQL for expense management. Implemented full CRUD functionality to store, retrieve, and delete expense records. Ensured reliable database connectivity and data persistence.
- **Ecommerce Website**
  Developed under HTML , CSS & Basic JavaScript
  With features like product listing, shopping cart, and login interface.
  https://sapstore.netlify.app/ (Deployed project on free Hosting (Netlify) with live URL)

EDUCATIONAL BACKGROUND

- Dhanalakshmi Srinivasan College of Engineering, Chennai, Tamilnadu
  MCA (2022-24) CGPA:8.2
- Nandha Arts and Science college,Erode, Tamilnadu
  B.Sc Computer Science(2019-22) CGPA:7.6
- HILF Matric hr.sec. School,Rameswaram, Tamilnadu
  HSC (2018-19) Percentage: 52
- HILF Matric hr.sec. School,Rameswaram, Tamilnadu
  SSLC (2016-17) Percentage: 92

CERTIFICATIONS

- Python Full Stack (Accord Info Matrix)
- Python Programming(Udemy)
