## PROFESSIONAL SUMMARY

Fresher Trainee Full Stack Developer with hands-on experience in Python, Django, REST APIs, and frontend technologies. Strong understanding of SDLC, MVC architecture, Object-Oriented Programming, and debugging. Experience includes developing backend modules, integrating databases, and building responsive user interfaces. Eager to contribute to real-world software projects in an entry-level development role.

## SKILLS

Python, Django, REST API, RESTful Services, HTML5, CSS3, JavaScript, React.js, MySQL, MongoDB, CRUD Operations, Git, Version Control, MVC Architecture, OOP, Data Structures

## INTERNSHIP EXPERIENCE

**Software Engineer Intern  Full Stack Development** 2023 – 2024

- Developed **8+ backend modules** using Python and Django following MVC architecture.
- Implemented **12+ REST APIs** for user management and application logic.
- Integrated MySQL and MongoDB databases and performed CRUD operations on **7+ tables**.
- Designed responsive frontend pages using HTML, CSS, and JavaScript for **4 web applications**.
- Reduced runtime errors by **25%** through systematic debugging.
- Used Git for version control across **20+ commits**.

## PROJECTS

- **Full Stack Web Application Development** Developed **3 end-to-end web applications** using Python, Django, REST APIs, and frontend technologies with database integration.
- **Online Quiz Application (Python  OOP)** Built a console-based quiz application using Python and Object-Oriented Programming with **separate classes** for question handling and quiz control. Implemented a **time limit per question**, collected responses without immediate feedback, and evaluated final scores with percentage calculation. Enabled quiz retry functionality and strengthened understanding of **OOP principles, control flow, and time handling**.
- **Password Validation System** Implemented **6+ password security rules** using Python logic.
- **Frontend Web Projects** Built **4 responsive UI projects** using HTML, CSS, JavaScript, and React.js.

## EDUCATION

**B.Sc (Honors)  MSCS** 2021 – 2024
Sri Shiridi Sai Degree College CGPA: 8.84

**Intermediate** 2018 – 2020
Vivekananda Junior College CGPA: 9.42

## CERTIFICATIONS

Python Programming  IBM Cognitive Class
Python for Data Science  IBM Cognitive Class
MySQL Database Fundamentals  IBM Cognitive Class
