PROFESSIONAL SUMMARY

Motivated and detail-oriented MCA graduate (2025) specializing in Artificial Intelligence and Machine Learning from Amity University. Passionate about building user-friendly web applications and continuously learning modern frontend and web technologies. Seeking entry-level opportunities in the IT domain such as Web Developer or Frontend Developer, where I can apply my technical skills, problem-solving ability, and eagerness to grow in a professional environment.

EDUCATION

Master of Computer Applications (MCA) – Artificial Intelligence & Machine Learning
Amity University, India
2023 – 2025

TECHNICAL SKILLS

Frontend Technologies
HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Web Design

Backend & Programming
Basic Node.js, Express.js, REST APIs, Python, Java (Basics)

Database
MySQL, MongoDB (Basic)

AI & ML (Academic Exposure)
Machine Learning Basics, Data Preprocessing, Python Libraries (NumPy, Pandas)

Tools & Platforms
Git, GitHub, VS Code, Postman

Other Skills
Problem Solving, Debugging, Clean Code Practices, Team Collaboration

PROJECTS

Web Application Project (Technology): HTML, CSS, JavaScript, React.js

- Designed and developed responsive user interfaces using modern frontend technologies
- Implemented reusable components and optimized UI performance
- Ensured cross-browser compatibility and mobile responsiveness

Academic Project – AI / ML Based (Technology): Python, Machine Learning Libraries

- Built a basic machine learning model as part of academic curriculum
- Performed data cleaning, preprocessing, and model evaluation
- Gained hands-on experience with supervised learning concepts

Mini Projects

- Portfolio Website using HTML, CSS, and JavaScript
- CRUD-based application with basic backend integration

CERTIFICATIONS

- Web Development / Frontend Development Certification (Social Portal)
- AI / Machine Learning Certification (Coursera)

SOFT SKILLS

- Strong communication skills
- Quick learner and adaptable
- Team player with positive attitude
- Time management and responsibility

CAREER OBJECTIVE

To start my career in the IT industry as a Web or Frontend Developer, where I can contribute to organizational goals while enhancing my technical skills and gaining real-world experience in software development.

LANGUAGE : English & Hindi
