About Me

I am a dedicated and results-oriented software developer with a strong technical foundation and a proven ability to build clean, efficient, and scalable solutions. Driven by curiosity and continuous improvement, I actively pursue opportunities that challenge my skills and allow me to contribute to impactful projects. I am currently expanding my expertise in mobile application development and full-stack technologies, with a focus on delivering innovative, user-centric, and high-quality digital experiences.

Internship Experience

NAMUVI Technologies | React Native Developer (Aug–Nov 2025)
Developed cross-platform apps, implemented UI with Tailwind CSS, built APIs using Node.js & Express.js.

Shiash Info Solutions | Java Full Stack Developer (Oct 2024–Feb 2025)
Contributed to full-stack projects, proficient in Spring Boot.

VEI Technologies | Full Stack Developer (Jan–Apr 2024)
Worked on front-end & back-end using React.js, Node.js, Java.

Education

B.Tech – Computer Science and Engineering
Manakula Vinayagar Institute of Technology, Puducherry (Affiliated to Pondicherry University)
CGPA: 7.03 / 10 (2021 – 2025)

Higher Secondary Certificate (HSC)
Petit Seminaire Higher Secondary School, Puducherry
Percentage: 78.4% (2020 – 2021)

Secondary School Leaving Certificate (SSLC)
Petit Seminaire Higher Secondary School, Puducherry
Percentage: 70.4% (2018 – 2019)

Technical Skills

- **Programming Languages:** Java, C++, C, Python (Basics)
- **Web Technologies:** HTML, CSS, JavaScript, Tailwind CSS
- **Frameworks & Libraries:** Node.js, React.js, React Native, Express.js, Spring Boot

Projects
