SUMMARY

Backend-focused Python developer with hands-on experience in Django REST Framework (DRF). Completed professional training and internship in Python and Django, followed by real-world experience working on backend systems. Skilled in building RESTful APIs, implementing JWT authentication, and working with PostgreSQL databases. Currently working as a Python Django Developer with a strong focus on backend development and continuous learning.

WORK EXPERIENCE

Junior Python Developer *Nov 2025*

Zecser Business

- In my role, I work on backend development using Python and Django, including building and maintaining application features, developing and integrating REST APIs, managing database operations, and fixing issues in production systems.
- I collaborate with the team to ensure efficient, scalable, and reliable backend solutions.

Python Django Intern *Aug 2025 - Oct 2025*

Zecser Business

- Developed RESTful APIs using Django REST Framework.
- Implemented JWT-based authentication and authorization.
- Integrated backend APIs with React frontend.
- Tested and validated APIs using Postman.

PROJECTS

RENTOUT

- Developed a rental website using Python and Django with MySQL database integration.
- Implemented user authentication and product listing features using Django ORM and HTML templates.

Job Portal

- Developed RESTful APIs using Django REST Framework with JWT-based authentication for secure user access.
- Implemented user registration, profile management, and job posting features with React frontend integration.

SKILLS

Languages	Python, SQL, HTML, CSS
Tools/Frameworks	Django, Django REST Framework, React
Databases	PostgreSQL, MySQL
Authentication	Json Web Token(JWT)
Tools	Postman,Git

EDUCATION

Bachelor of Science in Computer Science *Sep 2022 - May 2025*

College Of Applied Science Mavelikkara, Kerala University

CGPA: 7.42

CERTIFICATES

Python Django Course Certificate | Avodha Academy *June 2025 - Aug 2025*
