AJITHKUMAR H

Chennai|9003889449| sivaajithkumar478@gmail.com github.com/ajith909

Objective

A highly motivated and detail-oriented Python enthusiast with a solid foundation in Python and problem-solving. Seeking an opportunity to apply my python skills in a dynamic environment to support data-driven decision-making.

Certificate

- Certificate Course in Python & Artificial Intelligence, CareerSchool HR Solutions
- Learned basics of Python programming, AI concepts, and practical applications

Experience

May 2025-Jul 2025

Internship: Careerschool HR Solutions

Python & Al

- Assisted in developing and maintaining web application using pyhton.
- Work on real-time project under mentorship. Explored computer applications using deep learning models.
- Gained hands on experiences in python programming and AI development.

TOOLS: PyCharm, MYSQL

Education

May 2020-Oct 2022

CENTRAL POLYTECHNIC COLLEGE

DIPLOMA IN CIVIL ENGINEERING

Technical Skills

- Python
- HTML/CSS/ Java Script

Soft skills

- Good Communication in English
- Team Work
- Time Management

Projects

Color Detection

Color Detection is a computer vision technique used to identify and recognize specific colors in an image or video. It works by processing pixel values and filtering out a defined range of colors, usually in a color space like RGB (Red, Green, Blue) or HSV (Hue, Saturation, Value).

- Object tracking (like tracking a red ball in sports)
- Traffic signal recognition
- Robotics (to follow colored paths)
- Quality inspection in manufacturing
- Augmented reality

Language

Tamil (Native), English (Fluent)
