Professional Summary

Software Developer with hands-on experience in building RESTful APIs and full-stack web applications, strong foundation in application design, debugging, and database concepts. Proficient in JavaScript, React, Node.js, and MongoDB, with good analytical and problem-solving skills and experience working in collaborative development environments.

Technical Skills

- Frontend: React.js, JavaScript (ES6+), HTML, CSS, Tailwind CSS
- Backend: Node.js, Express.js, REST APIs, JWT, Mongoose
- Databases: MongoDB, PostgreSQL
- Architecture: MVC, Clean Architecture
- Tools: Git, GitHub

Projects

Neighborly - Platform for hiring helpers for household tasks . github.com/athiravjacob/neighborly

- Built an end-to-end service marketplace (V1) with geo-location based matching, real-time chat using WebSockets (Socket.IO), and Stripe-based in-app payments.
- Implemented secure authentication and role-based access control (User, Helper, Admin) using JWT and Google OAuth.
- Designed task lifecycle, payout, and dispute resolution workflows, ensuring helpers are paid only after verified completion or admin resolution.
- Currently rebuilding the backend as V2 using Clean Architecture and Domain-Driven Design to improve scalability, maintainability, and correctness.
- Redesigning domain models and REST APIs for services, tasks, helpers, disputes, and payouts with clear separation of concerns.

Muse Studio - E-Commerce Platform for Ceramic Products
github.com/athiravjacob/MuseStudio

- Built a full-stack e-commerce platform using Node.js, Express, MongoDB, and EJS with complete shopping and checkout flows.
- Developed an admin dashboard for product, order, customer, and offer management with role-based access.
- Implemented secure image uploads (Multer) with cropping, resizing, and optimized product search, filtering, and sorting.
- Integrated PayPal payments and created a sales analytics dashboard for tracking revenue, orders, and customer trends.

Education

Brototype, Kochi — Full-Stack Development Program 2024–2025

Mahatma Gandhi University, Bachelor in Computer Application 2014 – 2017

- CGPA: 7.44/10

Professional Development

- Career Break (2017–2024): Competitive exam preparation; transitioned to MERN full-stack development via professional bootcamp.
