S S JYOTHI ANAND

Tirupati, Andhra Pradesh | Phone: 9963579810 | Email: jyothianand2003@gmail.com

Professional Summary

Detail-oriented and enthusiastic B.Tech graduate specializing in Artificial Intelligence & Data Science. Strong foundation in machine learning, data analytics, full-stack development, and application design. Committed to delivering high-quality work with strong teamwork, analytical thinking, and communication capabilities.

Technical Skills

Programming Languages: Java, Python, JavaScript

Web Development: HTML5, CSS3, ReactJS, Bootstrap

Database Technologies: MySQL, SQL, DBMS

AI & Data Science: Data Cleaning, Data Quality Analysis, Feature Engineering, ML Algorithms (Basics)

Developer Tools: Git, GitHub, VS Code, Eclipse, Postman

Other Skills: REST APIs, OOP Concepts, Debugging, Agile Basics

Major Academic Project

Enhancing Botnet Detection in IoT using Hybrid ML & DL (Dec 2024 – Apr 2025)

• Designed and implemented a hybrid machine learning and deep learning approach for accurate botnet detection.

• Preprocessed and analyzed IoT traffic data to identify malicious device behavior.

• Applied ML models (SVM, Random Forest) and DL models (CNN, LSTM) for anomaly detection.

• Improved accuracy and reduced false positives through model optimization.

Internships

AI Data Quality Analyst – Rooman Technologies Pvt. Ltd (Feb 2025 – Jun 2025)

• Worked with large-scale AI datasets focusing on data cleaning and validation.

• Enhanced dataset usability by fixing inconsistencies and preparing structured data pipelines.

Java Full Stack Intern – Strydo Technologies Pvt. Ltd (Nov 2023 – Dec 2023)

• Developed web components using Java, JDBC, MySQL, and front-end tools.

• Implemented CRUD operations and assisted in API integration.

Education

B.Tech in CSE (AI & DS) – SIETK, JNTUA | CGPA: **7.2**

INTERMEDIATE (MPC) – Krishnamalli Junior College | 72%

SSC – Sesha Sai High School | CGPA: 8.7

Certifications

• Python Programming – Coursera

• Java Foundations – Oracle Academy

• Web Development Bootcamp – Udemy

• Machine Learning Basics – Simplilearn

Professional Strengths

• Strong Analytical & Logical Reasoning

• Quick Learner with Adaptive Thinking

• Team Collaboration & Leadership

• Excellent Communication Skills

• Creative and Innovative Mindset

Languages

English, Tamil, Telugu

Declaration

I hereby declare that the provided information is accurate and true to the best of my knowledge.
