ABOUT ME

Design and Drafting Professional with expertise in HFC Design, FTTx, and Permit Projects, ensuring compliance with US standards, as well as Oil & Gas projects adhering to KSA standards. Proven ability to lead cross-functional teams, enhance drafting accuracy and quality, and drive productivity improvements.

Skilled in project coordination, team management, and technical training, with a strong focus on timely completion and regulatory adherence.

WORK EXPERIENCE

Telecommunications engineer

IMMCO Inc. (Saranga Geosoftware and Engineering Services Pvt. Ltd) [06/09/2021 – 19/12/2024] **City:** Kochi | **Country:** India

Project Coordinator

Axontec Security Solutions Pvt. Ltd. [01/03/2025 – 20/06/2025] **City:** Erattupetta | **Country:** India

Draughtsman

Stream Perfect Global Services Pvt. Ltd. [25/06/2025 – 14/01/2026] **City:** Kochi | **Country:** India

- Managing a team as Project coordinator
- Quality checker.
- Experienced in Permits projects.
- Experienced in FTTX designing and redrafting
- Producing high quality work in coax design.
- Experienced in Address verification and conflation projects.
- Preparing final package for the coax designs in Bentley.
- Experienced in FTTX and HFC projects.
- Strand - Drafting, Redrafting and Conflation.
- Clean up - Coax and Fiber designs.
- Skilled in Project documentation
- Drafting high quality As-built drawing in Oil and Gas industry
- Promoted as Quality Checker within a couple of months.
- Selected as a top performer for various months.

KEY SKILLS

- Project Management
- Project Coordination
- Problem Solving Skills
- Quality Analyst
- Microsoft Office tools
- AutoCAD
- QGIS
- Bentley
- MicroStation

EDUCATION AND TRAINING

Diploma in Electronics and Communication Engineering

Government Polytechnic College, Perumbavoor, Ernakulam, Kerala, India [2018 – 2021]

City: Ernakulam | **Country:** India | **Final grade:** 8.94 CGPA

Higher Secondary

Government Higher Secondary School, Edathala, Ernakulam, Kerala, India [2016 – 2018]

City: Ernakulam | **Country:** India | **Field(s) of study:** Computer Science | **Final grade:** 69%

S S L C

Islamic Higher Secondary School, Aluva, Ernakulam, Kerala, India [2016]

City: Ernakulam | **Country:** India | **Final grade:** 95%

LANGUAGE SKILLS

Mother tongue(s): Malayalam **Other language(s):**

English

LISTENING C2 **READING** C2 **WRITING** C2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

PROJECTS

Designing and drafting in HFC design

-Led a team in the successful completion of a 24-month project on design and drafting in HFC designing, resulting efficient project outputs.

- Collaborated with cross-functional teams to streamline the drafting process, leading to a 25% improvement in draft accuracy and quality during the 24-month project period.

Design and drafting in Permit Project

-Designed and drafted permit projects, ensuring compliance with regulations and code in US standards.

Maintenance team coordinator for Security systems

-Coordinating maintenance project for security systems, ensuring timely completion and error rectification.

-Trained and supervised a team of technicians, resulting in improvement in productivity and efficiency.

Technical drafting and Project Documentation

-Proficiency in creating detailed engineering drawings using Microstaion Bentley software for oil and gas projects, ensuring accuracy and compliance with industry standards.

-Experienced in preparing and managing project documentation, supporting smooth execution and coordination across multidisciplinary teams.
