ALFIYA NAZER

Software Developer | Fullstack Developer | Python Developer

+91 9633500924 alfiyanazer008@gmail.com linkedin.com/in/alfiya-nazer-618210252 github.com/Alfiya-Alfy

EDUCATION

- Mar Athanasius College of Engineering, Kothamangalam — December 2021 - May 2024
  B.Tech in CSE(Data Science) — Kothamangalam,Ernakulam
- Government Polytechnic College Kothamangalam — June 2018 - May 2021
  Computer Engineering — Kothamangalam,Ernakulam

EXPERIENCE

INMAKES Infotech Pvt.Ltd — May 2025 – September 2025

Python FullStack Developer Intern

- Developed web applications using Python, Django, HTML, CSS, JavaScript, and SQL.
- Built and integrated frontend and backend modules with CRUD and authentication features.
- Enhanced debugging, teamwork, and problem-solving skills through real-world projects.
- Gained hands-on experience in full stack workflows.

GPC Kothamangalam — September 2024 - January 2025

Guest Lecturer

- Conducted lectures on Computer Science topics, making complex topics easier to understand.
- Guided students through practical labs, assignments, and project work to strengthen applied learning.
- Prepared lesson plans and teaching materials to deliver structured and engaging classes.
- Improved communication, presentation, and time management skills through classroom teaching experience.

PERSONAL PROJECTS

AI Chatbot

- Created an AI Chatbot using Python and Django.
- Used NLP (NLTK) to understand user questions and give responses.
- Connected chatbot logic with a web interface and managed code using GitHub.

Online Learning & Course Management System

- Assisted in frontend UI development and data handling
- Worked on user roles and basic performance optimization

Hospital Management System

- Developed and maintained modules for managing patient and appointment data
- Implemented CRUD operations and database connectivity
- Followed clean code structure and basic validation

SKILLS

- Programming Languages: Python, Java (Basic), C
- Frontend: React.js (Basic), HTML5, CSS3, Bootstrap, JavaScript
- Backend & APIs: Node.js (Basic), Django, Flask, REST APIs (Basic)
- Databases: MySQL, PostgreSQL, SQLite (RDBMS concepts)
- DevOps & Tools: Git, GitHub, VS Code
- Cloud (Exposure): AWS (EC2, S3)
- Concepts: OOP, SDLC

CERTIFICATES

- Web Development Internship - Zindot Innovations
- Data Analyst Internship - Elevate Labs
- Python Programming Workshop
- Data Analytics with Python - NPTEL
