ASHIGOKSAR VISHNU BT

NETWORK ENGINEER

Email:ashigoksar@gmail.com
Phone:+919645100465
LinkedIn:https://www.linkedin.com/in/ashigoksar-vishnu-bt-71044b85?

PROFESSIONAL SUMMARY

Network Engineer with 1+ years' experience in installation, configuration and maintenance of Cisco routers and switches, and LAN/WAN communication. Skilled in monitoring network performance, executing backups, and improving network efficiency.

PROFESSIONAL EXPERIENCE

SoffitInfrastructureServicesPvtLtd - Kochi

- Associate Engineer - IT infra — 30 Dec 2024 - Present

Team Lease Service (Airtel) Thrissur

- LI Network Engineer — 17th April 2025 to November 2025

Atmic Solutions (Info Campus)

- Interrnship Programme — 2023 January-2024 January

TECHNOLOGY AND PROTOCOLS KNOWN

- Fortinet firewall
- Cisco Routers & Switches
- Juniper SRX Firewalls
- SD-WAN
- ITSM / Ticketing Systems
- MPLS / WAN / VPN
- Palo Alto firewall
- HSRP
- ACL
- Ip Sec

SKILLS AND SUMMARY

- Extensive hands-on experience with routing protocols including RIP, OSPF, and EIGRP
- Configuring and troubleshooting VLAN technologies such as VLANs, VTP (VLAN Trunking Protocol), and inter-VLAN routing.
- . Familiar with basic firewall operations and policy configurations on Palo Alto platforms.
- Strong knowledge of configuring and troubleshooting Access Control Lists (ACLs), including Standard, Extended, Named, and Time-Based ACLs.
- Proficient in configuring and troubleshooting Spanning Tree Protocols, including STP, RSTP, PVST+, and RPVST+.
- Basic knowledge of VPN technologies, including Site-to-Site VPN, GRE, DMVPN, GET VPN, Client VPN, and SSL AnyConnect (IKEv1, IKEv2).
- Knowledge of Port Security, DHCP Snooping, BPDU Guard, BPDU Filter, Root Guard
- Good understanding of OSI model & TCP/IP protocol suite
- Knowledge on IP addressing and Subnetting (FLSM, VLSM) and Supernetting (Summarization).
- Configuring and managing Cisco Routers using Telnet, SSH. Knowledge on HSRP (HSRP, VRRP, GLBP),
  Configuration and implementation of NAT and PAT.
- Installing, configuring and troubleshooting of Networking Equipment, Routers, Switches and knowledge of
- TCP, UDP, IP, ARP, ICMP, DNS, DHCP, FTP, TFT.

JOB RESPONSIBILITIES

- Installing, configuring, and maintaining routers, switches, and other networking devices.
- Adding ACL rules in CISCO switches Implementing VLAN change on Cisco switches.
- Planning & Implementing Firewall rules on Cisco ASA and Juniper SRX firewalls.
- Taking Health checkup of all devices and Network device backup
- Assisted in creating and modifying security policy in palo alto firewall
- Configuring and troubleshooting branch routers, Static route, OSPF, BGP & IPsec site to site VPN
- Firewall policy updates required for sd wan branch connectivity
- Maintained network stability and good uptime through regular monitoring and escalations,
- Monitored 2000+ Airtel links and performed first-level troubleshooting to identify and resolve faults.
- Managed network printers, desktop systems, and networking equipment, including installation and configuration of internet connections
- Handled troubleshooting and maintenance of LAN infrastructure.
- Provided consultation and designed structured cabling solutions in copper.
- Performed installation, configuration, IOS installation, and upgrades on Cisco routers and switches.
- Troubleshot MPLS circuits and resolved routing issues by coordinating with Airtel service providers and end-users.
- Worked in on-call rotation to ensure continuous service availability for customers.
- Provisioned new branches in coordination with Airtel Service Provider for WAN circuit creation.
- Generated detailed network performance reports for senior management using monitoring data to guide capacity planning decisions.
- Developed and maintained accurate network documentation and topology maps, improving incident response time for the support team.
- monitoring 2000+ Airtel links performing First level trouble shoot and finding problem
- Handling Incident by using a ticketing tool like ITSM

PERSONAL INFORMATION

- Nationality: Indian
- Languages: Malayalam, English, Hindi, Tamil
- Address: Meledathukandi (ho) Thuruthyad (po), Balussery via Kozhikode-673612

CERTIFICATES

- Networking Basics
- Fortinet Certified Fundamentals Cybersecurity
- Fortinet Certified Associate Cybersecurity
- Network Addressing and Basic Troubleshooting

EDUCATION

CCNA , MCSA , Microsoft Azure Infocampus Calicut, Atmic solutions 2022 - 2023

Bachelor of Commerce (B.Com) 2016 - 2019

Higher Secondary Level Education in Commerce (CA) Science High School 2014 - 2016

Level

DECLARATION

Ihereby declare that all the details furnished above are to the best of my knowledge and belief. I a m a career-oriented person capable of learning and grasping any new emerging technologies. I can assure that if I am getting more exposures and opportunities, I can contribute my maximum potential for the progress my organization.
